RE: SUMMIT CONSULTING LTD WORK IN STRATEGY AND RISK MANAGEMENT

The above subject refers.

This is to confirm that Summit Consulting Ltd, represented by Mustapha, B Mugisa, worked with us to help strengthen our risk management practices through senior management and staff training, among others, and did so in a manner that exceeded our already high expectations.

Summit Consulting is also our strategy expert and worked with staff to develop a strategy that was subsequently presented to the Board of Directors and approved.

Specifically, Mustapha B Mugisa interacted as a peer and flawlessly with our most senior management, handled sensitive issues professionally and effectively, conducted staff trainings in major areas of governance specifically strategy and risk management awareness training, and was more responsive than any other consultant in our memory.

I can endorse his work and ethics without reservation and would be happy to discuss details or answer any questions about his work for us.

Yours Sincerely,

Mary Katusiime
Ag. Executive Director
