RE: CONSULTANCY WORK ON RISK MANAGEMENT BY SUMMIT CONSULTING LTD

The above subject refers.

This is to confirm that we engaged Summit Consulting Ltd represented by Mustapha B. Mugisa to develop consistent risk management processes and systems through documentation of enterprise risk management strategy across our organization.

Summit Consulting Ltd also provided risk management awareness training to senior management and staff. We are now in a position where we can better measure and monitor risk.

I endorse his work and ethics and would be happy to discuss details or answer any questions about his work for us.
